Beaches Chapel School is nothing without our parents and families. There are many ways to help out and be involved in your child's education.

Time: We have many events that are held throughout the year. Some are major events that need many hands and some are smaller. Events like Moments with Mom, Prom, and Patriots Day are just a few of the wonderful things we are in need of helpers for. We understand that not everyone has time during school hours to help out. If you are willing to help at home or after school hours we would LOVE that also. Sometimes we need help putting together packets, baking or cutting paper for crafts the next day.

Talents: If you have any special talents that you think would be helpful at the school we would love to have your help. (sewing, woodworking, photography, baking, drawing, painting, sports etc) Please let us know what your talents are:

Treasure: We also understand that some seasons in life we may not be able to give any time. If you would like to donate to help offset the cost of the events we hold for your children you can do that also.

Please feel free to contact the school or email Katie Melanson at Katiemelanson@beacheschapel.com if you have any questions regarding giving of your time, talents or treasure.
