*The Best Opportunity for Your Child's Success*

## **New Family Mentor Program**

Starting a new school year can be an exciting time in a family's life, but it can also be an overwhelming experience for a new family. **The New Family Mentor Team** was created to assist new families in navigating Beaches Chapel School. Our number one priority is to welcome new families as well as make sure their questions are answered and their transition to our school is smooth and enjoyable.

**The New Family Mentor Team** believes the best way to help new families is to pair them with current families at BCS. The mentor family will assist new families by answering any questions and connecting them with resources and programs offered at BCS. Most importantly, the mentor will be familiar faces around the school to help new families feel more comfortable when everything else seems new.

To begin the process of becoming a New Family Mentor, please fill out the attached information sheet and return to the school office. If you have any questions regarding this program, please contact [audreydikter@beacheschapelschool.com](mailto:audreydikter@beacheschapelschool.com).
