# BETTER TOGETHER

## SPIRITUAL AWARENESS WEEK 2020

For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.

**ROMANS 12:4-5**

# ATHLETICS

## Fall Athletic Update

The Fall sports teams kicked the school year off with a bang. The **VARSITY VOLLEYBALL** team finished the season 2nd in the FCAL north and had a valiant showing in the FCAL final four. Victoria Papinaeu finished second in FCAL North player of the year. They go on to the district tournament as the 3 seed and look to make a run in state playoffs.

The **MIDDLE SCHOOL VOLLEYBALL** team is competing in the JCAL tournament this week as the 1 seed with the best record in the conference.

The **MIDDLE SCHOOL SOCCER** team heads into the JCAL tournament as the 4 seed. Coach Becca and Coach Wood have them playing at a high level and much improved from last season.

The **VARSITY BOYS GOLF** team had their first season with a competitive showing in the FCAL tournament. Golfers, Jonas Gesner and Slayton Tapp, played together two great rounds at the University of Florida Golf Complex. They competed against some of the best golfers in the state.

The **SWIM** team headed into their 2nd season ever competing against Ponte Vedra High School and Bishop Kenny. The girls relay team had a great showing winning the 200 free. Annie Wohlgemuth won both the 100 backstroke and 100 butterfly.

## Elijah Dannel, BCS Alumnus

"Beaches Chapel helped me with my academics and gave me better study habits that have helped me in college. Beaches Chapel let me on the basketball team after I was cut from another high school's team, so without them I probably wouldn't be playing at the collegiate level. Going to BCS grew my faith stronger in Christ, and allowed me to share my testimony in front of my peers. Overall, Beaches Chapel made me a better leader."

-Elijah Dannel  
BCS Alumnus

Elijah is continuing his basketball career at Ave Maria University, while pursuing a degree in Exercise Science. The team began practicing at the beginning of September, and Elijah scored 17 points in the season opener.

### Charity Club

The High School Charity Club held a "Donuts for a Dollar" fundraiser to benefit the Gabriel House. They will be using the profits from this fundraiser to either plan a dinner for the patients at Gabriel House or provide them with treats. Gabriel House gives meals to people recovering from organ transplants or requiring intensive chemotherapy. This is a great cause and we are so proud of the work the Charity Club is doing to raise money to help.
