Beaches Chapel School

The Best Opportunity for Your Child's Success

New Family Mentor Program

Welcome to Beaches Chapel School! We are thrilled your family made the important decision to send your child(ren) to our school. Starting a new school year can be an exciting time in a family's life, but it can also be an overwhelming experience for a new family. **The New Family Mentor Team** was created to assist new families in navigating Beaches Chapel School. **Our number one priority is to welcome you as well as make sure your questions are answered and your transition to our school is smooth and enjoyable.**

The New Family Mentor Team believes the best way to help new families is to pair them with current families at BCS. The mentor family you are linked with will assist you from the first day of school through the entire school year to **answer any questions, link you with resources or programs offered at BCS and in the community, and address concerns. Most importantly, your mentor will be a familiar face around the school to help you feel more comfortable when everything else seems new.**

To begin the process, please fill out the attached **New Family Bio Information Form** and return to the school office. Once your form is completed and returned, our team will pair you with a current BCS family. If you have any questions regarding this program, please contact audreydikter@beacheschapel.com.

Again, welcome to Beaches Chapel School!

We can't wait to meet you!
